

■ Professional Experience

Freelance Artist

January 2008 – present

Responsible for all aspects of business including marketing, development, scheduling, and finance. Worked in digital and traditional mediums creating animation, illustration, graphic design, and fine art drawings.

Animator @ The STUDIO

October 2010 – December 2010

Responsible for overhauling and refining animation for a feature documentary using various 2D animation techniques. Animation was created using Adobe Flash and ToonBoom Animate, which was then composited and edited using Adobe After Effects.

Course Developer @ KC Distance Learning Inc

March 2009 – September 2009

Led development on a two-part language course. Responsible for developing interactive web pages and quizzes, utilizing technologies including HTML, CSS, and Javascript. Courses were then integrated into the Blackboard Learning System.

CSA, Dairy Worker @ Genuardi's

2004 – 2005

Started as a Customer Service Associate. Duties included general store maintenance and customer service. Promoted to the dairy department where responsibilities included moving, organizing, and pushing stock as well as customer service.

Store Clerk @ Five Below

2002 – 2003

Helped customers find and purchase items. Also moved, organized, and pushed stock.
